SUZIE PURPLE

A large, white, stylized 'X' mark is centered on a background with a dense, fibrous texture. The background consists of fine, overlapping strands in shades of purple, magenta, and brown, creating a complex, organic pattern. The 'X' is formed by four thick, white diagonal lines that intersect at the center, with the top and bottom lines being slightly wider than the left and right lines. The overall appearance is that of a mark on a textured surface, possibly a piece of fabric or paper.
